

Drew Hertz, MD, FAAP

Senior Advisor

Andrew “Drew” Hertz, MD, FAAP, is a Senior Advisor with Genesis Health Consulting, and the CEO and Founder of Teknion Health Equity Consulting, a pediatric-focused health consulting firm based in Cleveland, Ohio. Dr. Hertz is an innovative and visionary physician executive who inspires both physicians and organization leaders to transform operations, increase market share, and optimize the quality and value of care delivered. His 25 years in healthcare provides a unique perspective as a physician with private practice, health care executive, population health, alternative payment models, and start-up

endeavor experience. His consistent goal is to optimize solutions for patients, physicians and hospitals. Dr. Hertz is American Board of Pediatrics certified and a Fellow of the American Academy of Pediatrics. He is an Assistant Clinical Professor of Pediatrics at Case Western Reserve University School of Medicine and cares for patients at University Hospitals Suburban Pediatrics in Shaker Heights, Ohio.
